Auxiliary Youth Worker

Are you interested in working in the Youth Services field? Do you want to gain some valuable experience? Well we have an opportunity for you!

We are looking for energetic, motivated and creative people to join our staff team. This is a part-time position working with young people between the ages of 12-18 in a socio-recreational setting. Staff will plan and facilitate activities, go on out-trips and build memories with youth that will last a life time.

The Auxiliary Youth Worker (AYW) primarily responds to the needs and interests of young people who frequent the Bowen Youth Centre. The AYW organizes recreational activities and creates a "front line" in the identification of at risk youth in need of guidance and referral to health services.

Please submit your covering letter and resume via mail, facsimile or e-mail.
