

# Add your voice

The Civic Facilities Working Group and Municipal Council would like to hear your thoughts & feedback regarding the recommendations of the CFWG. Please take a moment to answer the questions below and write down other questions you may have. This feedback will be available on the Municipal website when it is compiled. Thank you for taking the time to listen and participate in our discussions today about the future of civic facilities on Bowen Island.

Do you support the location of the building?

 Yes No

If no, why not?

---
