

The Bowen Island Municipality & West Vancouver School District 45
Community Partnership
invites submissions for the
Pre-Qualification of General Contractors
for the civil work and lighting for the
Bowen Island Community School (BICS) Synthetic Turf Field Project

The pre-qualification process is intended to establish a list of General Contractors with the necessary expertise, capability and resources to perform the work. Only those General Contractors that pre-qualify will be eligible to bid.

The general construction work includes site preparation, earthworks, drainage, fencing, lighting, asphalt & concrete work, and landscaping. Supply & installation of turf is a separate contract.

An optional pre-tender site tour will be held at 9:30 a.m. Tuesday March 17, 2009 at the field site. Attendance at the tour is not required in order to pre-qualify as a general contractor.

The Pre-Qualification Document is available at www.bimbc.ca. Pre-qualification submissions are due no later than 2:00 p.m. Friday, March 20, 2009 at the Bowen Island Municipality, 981 Artisan Lane, Bowen Island, B.C., V0N 1G0. Alternately, submissions can be made to R.F. Binnie & Associates Ltd., 101-19232 Enterprise Way, Surrey, B.C. V3S 6J9 provided an electronic copy is also sent to cwalker@bimbc.ca at Bowen Island Municipality.

Direct all inquiries to the Project Manager, Florrie Levine, FHL Consulting Services at 604-947-2194.

Note: This project was originally tendered in mid 2008 to a list of pre-qualified general contractors without the contract being awarded. The project has been revised to reduce cost and will be re-tendered immediately after this current pre-qualification process is concluded. Any general contractors who were pre-qualified during the 2008 tender process will be considered pre-qualified for the current 2009 project and are therefore not required to resubmit.
